International Division

Pursuant to the enclosed Notification of Missing Requirements under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US), the USPTO has requested a copy of the International Preliminary Examination Report (IPER) for international application no. PCT/US98/17769. We have not yet received the IPER for this case and according to the USPTO personnel at the PCT Help Desk no IPER has issued yet for this case. We respectfully inform the USPTO that the Examining Authority for this case is the USPTO and that the Patent Office is in a far better position than the applicant to obtain the IPER that the USPTO will generate. As such, Applicants assert they should not be required to submit the IPER. Nevertheless, should Applicants still be required to submit the IPER, they will do so as soon as it is received.

The undersigned asserts that although we are not providing a copy of the IPER with our response to the Notification, all of the requirements for the outstanding Notification are fulfilled.

Respectfully submitted,
